Finnish Resident Permit (Full work authorization)

I am a Programme coordinator with 8+ years driving labor rights advocacy, trade union engagement, and social protection initiatives across Bangladesh's garment sector. Delivered EU- and UN-funded projects for GIZ, ILO, and Plan International — managing budgets, coordinating multi-stakeholder workshops, and producing structured donor reports. I Represented Bangladesh at international forums in Germany and Nepal. Relocating to Finland with full work authorization and I am eager to bring field-tested coordination skills to a Finnish NGO, CSR, or development cooperation environment.
